

Your way to Tenuta di Seripa

Arriving from Pisa's airport

Take the motorway **A12** in the direction south towards ROMA.

The motorway ends at Rosignano, so exit the toll and join the **SS1** in the direction of GROSSETO-ROMA.

Exit the dual carriageway at DONORATICO.

Cross back over the dual carriageway and follow signs for CASTAGNETO CARDUCCI.

From Castagneto Carducci to Tenuta di Seripa

Follow the road up the hill and continue through Castagneto Carducci in the direction of SASSETTA.

At Sassetta drive through the village in the direction of SUVERETO.

You are now driving on the **SP 18A** which you stay on for a further 5km. Look out for the road markers on the right hand side of the road. At the marker showing km 5,800 there is a turning to the left onto a dirt track. Tenuta di Seripa is signposted at the top of this dirt track.

Keep on driving straight and at the end of the road turn into the driveway and you are there!!!.

The dirt country uphill road is 1,5 Km to the Villa
